Re: Application of Duke Energy Progress, LLC for Approval of Rider DSM/EE-12,  
Decreasing Residential Rates and Increasing Non-Residential Rates  
Docket No. 2020-176-E

Dear Ms. Boyd:

Attached for filing, please find a corrected Exhibit 15, Projected Program/Portfolio Cost Effectiveness – Vintage 2021, to the Application of Duke Energy Progress, LLC (the “Company”) for Approval of Rider 12, Demand-Side Management and Energy Efficiency. The Company discovered a misalignment in the Program columns in the version of the exhibit that was included with the original Application filed on July 31, 2020. The corrected Exhibit 15 being filed herewith corrects that misalignment. The program totals and rates are not affected by this change.

Kind regards,

Sam Wellborn
